

1.3.1 Institution integrates Cross Cutting Issues relevant to gender, environment and sustainability, human values and professional ethics into the curriculum.

The college is affiliated with SPPU Pune. Being an affiliated college, follows the curriculum prescribed by the SPPU. University integrates cross cutting issues relevant to gender, environment and sustainability, human values and professional ethics into the curriculum. The college conducts activities to address them.

Environment and Sustainability:

Environmental Awareness is a mandatory subject for all second-year UG students. Students need to select a theme of environment conservation, prepare and submit a project. The project demands the students to read on the topic, consult the teacher, and prepare a project reflecting practices of environment conservation.

Gender Sensitivity:

The literary forms prescribed for UG and PG courses in English, Marathi, and Hindi have inputs on gender sensitivity. The classroom instruction details on creating awareness among students about the need and importance of gender sensitivity for all.

Professional Ethics:

Courses under the faculty of commerce have relevance to professional ethics, fair practices of business. Students get inputs on honesty, objectivity, transparency, mutual respect, accountability in theory and practical situations.

Besides this, NSS, & BOS of College has been conducting **Environmental and Sustainability, Gender Sensitivity, Human Values and Professional Ethics** through tree plantation, blood donation, village cleanliness, plastic-free drives Women's health and hygiene, Nirbhaya Kanya Abhiyan.
