Report on One Day State Level Seminar on
“Advances in Environmental Science.”
(19th January 2018)

The Department of Zoology at Mahatma Gandhi Vidyamandir's Samajshree Prashantdada Hiray Arts, Science & Commerce College, organized a one-day state level seminar on "Advances in Environmental Science." The seminar aimed to provide a platform for researchers, academicians, and students to discuss and exchange knowledge on various aspects of environmental science. The seminar was sponsored by BCUD, Savitribai Phule Pune University. Their support and contribution were instrumental in making this event a success.

Keynote Speakers:

1. Dr. B. K Deore - Chief Guest and Chairman of CDC, delivered a speech on animal diversity. His talk focused on the importance of understanding and preserving the diverse range of animal species in our ecosystem.
2. Dr. S. S Patole - Resource person from VidyaVikas Mandal's SitaramGovindPatil Arts, Science and Commerce College, Sakri presented on the topic of the greenhouse effect. He discussed the impact of greenhouse gases on global warming and the measures that can be taken to mitigate its effects.
3. Dr. B. M Patil - Another resource person from JAT College, Malegaon, spoke about air pollutants and air pollution. He highlighted the sources of air pollution and its detrimental effects on human health and the environment.
4. Dr. Ajay Vibhandic - Resource person from Swami Muktanand College Yeola. The topic of biodiversity conservation was covered by Dr. Ajay Vibhandic. He emphasized the need for conservation efforts to protect endangered species and maintain ecological balance.

Mr. P. K Chaudhari, on behalf of the organizing committee, delivered the vote of thanks. He expressed gratitude to all the speakers for sharing their valuable insights and knowledge. He also thanked the sponsors, BCUD, Savitribai Phule Pune University, for their support in organizing the seminar.

The one-day state level seminar on Advances in Environmental Science was a great success. The speakers provided valuable information on various aspects of environmental science, ranging from animal diversity to air pollution. The seminar served as a platform for researchers, academicians, and students to learn, discuss, and exchange ideas on environmental issues. The efforts of Mahatma Gandhi Vidyamandir's Samajshree Prashantdada Hiray Arts, Science & Commerce College and the support of BCUD, Savitribai Phule Pune University were commendable in organizing such an informative event.
