Report of Science Association

Date: 25th Jan. 2022

The Inauguration of Science Association took place in a virtual manner on Tuesday at Samajshree Prashantdada Hiray Arts, Science and Commerce College, Nampur, run by Mahatma Gandhi Vidyamandir. Dr. U B Kadam, Vice-Principal of the College presided over the inaugural function while Dr. Valmik Shirsath, Head Professor, Department of Chemistry, Pimpalner College inaugurated the program.

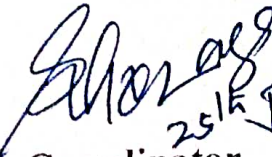

The program began by remembering the sacrifice made by Karmaveer Bhausaheb Hiray and Loknete Vyankatrao Hiray as well as by welcoming the dignitaries.

After that, Dr. Sunil Wagh, President of the Science Association and Head, Department of Chemistry, gave an introductory speech and introduced the guests to the audience. He explained the purpose of the introductory program, the features and functions of the Science Association. He made it clear that the purpose of the program is to inculcate a scientific attitude in the students, to make them think of science without inculcating superstitions in the society, and to inculcate science in the society.

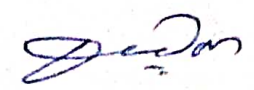

In his inaugural address, Hon'ble Dr. Valmik Shirsath, who inaugurated the Science Association, said that the confluence of knowledge and action is science. It is important to know and understand science while living life. Studying the surroundings is science. Science Association programs give students direction to live and enrich their life. He elaborated on the modernization and discoveries in chemistry, saying that the age of science had begun in the twentieth century. He also explained the importance of nanotechnology to the students. He further instructed the students to make the most of the opportunities available to them by studying science.

In his presidential address, Vice-Principal Dr. U. B. Kadam said that "Life is Full of Science" which means that there is Science from waking up in the morning till going to bed. The students should know the essence of science.

The program was compered by Professor M R Kshirsagar and the vote of thanks was given by Professor B. B. Bachhav. This virtual lecture was attended by Prof. Dr. M. D. Ahire, Educational Supervisor of the Senior College, Mr. Sharad Kedare, Registrar, Mr. D. M. Patil, Office Superintendent, and a large number of department heads, professors, other staff and students.
