Report of Workshop on Electronic Components

Date: 09/12/2017

Under the Guidance of Principal Dr. D F Shirude, the Department of Physics, S P H Arts, Science and Commerce College, Nampur Tal. Baglan Dist. Nashik was organized a workshop on Electronic Components dated on 9.12.2017.

About the program: Miss Vaishali Tanaji Salunke, Assistant Professor in Electronic Science was invited as Resource Person for this workshop. 58 student's participants were present in workshop Programme. The vice principal of the college Dr. M. D. Ahire, Dr. A. S. Garde, Head Department of Physics and Mr. C R Yewale were present for this Programme. Principal Dr. D F Shirude, was invited as a President for this Programme. The president was delivered his speech on advantages of electronic components in Physics instruments such as Power supply, CRO, Function Generator, Michelson interferometer etc. Also discussed on uses of ICT tools in pedagogy etc. Lastly they were discussed on various examples of instruments in Science and technology. Resource person Miss Vaishali Tanaji Salunke gave a very precise speech on the scopes of passive and active components in Electronic Science. Such as Resistor, Capacitor, Inductor, Semiconductor p-n junction Diode, Transistor, Integrated Circuit etc. She was explained application of electronic components such as Amplifier, Rectifier, and Power supply, Photodiode, LED, SCR, FET and Logic Gate etc. Also she has been demonstrate the measurement of resistance of resistor by colour code and Multimeter, measurement of AC and DC value of variable power supply. This lecture was much beneficial, interested and informative for all the participants. Dr. A S Garde have introduce introductory part of Programme and gave a very precise speech on the scopes of components in daily human life. After end of the workshop, the participants expressed his view regarding. Miss Asmita Pagar have anchoring of this programme. Lastly, vote of thanks was delivered by Mr. C R Yewale after which the workshop successfully concluded.
